**Description:** **GATOR EDGE MINI** is made with 100 % Polyethylene. This will give it great strength as well as provide great flexibility. Paving Edge for natural stone and all types of slabs. It is easy to use and quick to install. Gator Edge Mini model is ideal for applications for up to 45 mm that can be used for all applications such as walkways, paths, patios etc.

- Features:**
- Will not corrode.
  - Easy-to-use.
  - MINI 25 mm edge.
  - Versatile.
  - Robust system.
  - Support strength.
  - Come in 2.44 m lengths.

**For use on:** **GATOR EDGE MINI** is an excellent choice to help define alleys, sidewalks or patios. It is easy to use and quick to install.

- Installation instructions:**
1. It can be installed either before or after the slabs or natural stones applications.
  2. Use one 25 cm nail every second hole and at every junction, this will ensure continuous lateral support. Make sure edges are installed on a compacted structural aggregate base.
